Screamin' Products, Inc. is an American company involved in the design and manufacture of model kits based on popular movie and television characters.

All Screamin' model kits are officially licensed and made from the finest materials available. Each product features ultra fine detailing and a stunning likeness to the character. They are packed in sturdy, full color packaging and always include easy to follow, illustrated instructions.

We design our models with the collector in mind, and hope to give the serious modeler a lifetime of enjoyment with each product we produce.
